

Master Subscription Agreement

THIS AGREEMENT CONSTITUTES A BINDING CONTRACT BETWEEN CUSTOMER AND ANCILE AND GOVERNS CUSTOMER'S USE OF AND ACCESS TO THE SERVICES BY CUSTOMER AND ITS USERS WHETHER IN CONNECTION WITH A PAID OR FREE TRIAL SUBSCRIPTION TO THE SERVICES. By accepting this Agreement, either by accessing or using a Service, or authorizing or permitting any User to access or use a Service, Customer agrees to be bound by this Agreement. If Customer is entering into this Agreement on behalf of a company, organization or another legal entity (an "Entity"), Customer is agreeing to this Agreement for that Entity and representing to ANCILE that Customer has the authority to bind such Entity and its Affiliates to this Agreement, in which case "Customer," "Customer's" or a related capitalized term herein shall refer to such Entity and its Affiliates. If Customer does not have such authority, or if Customer does not agree with this Agreement, Customer must not accept this Agreement and may not use any of the Services.

Any content, work product, or derivatives thereof created by Customer using any of the foregoing resources are deemed to be part of the Services, and any access thereto is limited to the number of Users of the subscription purchased by Customer. "Services" exclude Third Party Services as that term is defined in this Agreement and Associated Services that are not provided under this Agreement. From time to time the names and descriptions of the Services or any individual Service may be changed. 2. GENERAL CONDITIONS; ACCESS TO AND USE OF THE SERVICES

2.1 During the Subscription Term and subject to compliance by Customer's Users with this Agreement, Customer has the limited right to access and use a Service consistent with the Subscription(s) that Customer subscribes to in support of the Known Target Application(s) only, together with all applicable Deployed Associated Services, for Customer's internal business purposes. An Affiliate may receive Services under this Agreement provided that such Affiliate directly enters into a Service Order Form. By entering into a Service Order Form hereunder, an Affiliate agrees to be bound by the terms of this Agreement as if it were an original party hereto. Customer will be responsible for its Affiliates' compliance with this Agreement. ANCILE will (a) make the Services and Service Data available to Customer pursuant to this Agreement and the applicable Order Forms; (b) provide applicable

standard customer support for the Services to Customer at no additional charge as detailed in the Documentation; (c) use commercially reasonable efforts to make the Services available 24 hours a day, 7 days a week, except (i) during planned downtime for upgrades and maintenance to the Services (of which ANCILE will use commercially reasonable efforts to notify Customer in advance both through ANCILE's website and a notice to Customer's Account owner and Users) ("Planned Downtime"); and (ii) for any unavailability caused by circumstances beyond ANCILE's reasonable control, including, for example, an act of God, act of government, flood, fire, earthquake, civil unrest, act of terror, strike or other labor problem (other than one involving ANCILE's employees), Internet service provider failure or delay, Third Party Services, or acts undertaken by third parties, including without limitation, denial of service attack ("Force Majeure Event").

2.2 Customer may not use the Services to provide customer service, support, content creation or delivery services, or other outsourced business process services to or on behalf of any third party (other than Affiliates).

2.3 Customer is responsible for procuring and maintaining the network connections that connect Customer's network to the Services, including, but not limited to, "browser" software that supports protocols used by ANCILE, including the Transport Layer Security (TLS) protocol or other protocols accepted by ANCILE, and to follow procedures for accessing services that support such protocols. ANCILE is not responsible for notifying Customer or Users of any upgrades, fixes or enhancements to any such software or for any compromise of data, including Service Data, transmitted across computer networks or telecommunications facilities (including but not limited to the Internet) which are not owned, operated or controlled by ANCILE. ANCILE assumes no responsibility for the reliability or performance of any connections as described in this section.

2.4 In addition to complying with the other terms, conditions and restrictions set forth in this Agreement, Customer agrees not to (a) license, sublicense, sell, resell, rent, lease, transfer, assign, distribute, time share or otherwise commercially exploit or make the Services available to any third party, other than authorized Users in furtherance of Customer's internal business purposes as expressly permitted by this Agreement; (b) use the Services to Process data on behalf of any third party other than Customer or Users; (c) modify, adapt, or hack the Services or otherwise attempt to gain unauthorized access to the Services or related systems or networks; (d) use the Services in any unlawful manner, including, but not limited to, violation of any person's privacy rights; (e) use the Services to send unsolicited or unauthorized bulk mail, junk mail, spam, pyramid schemes or other forms of duplicative or unsolicited messages; (f) use the Services to store or transmit files, materials, data, text, audio, video, images or other content that infringes on any person's intellectual property rights; (g) use the Services in any manner that interferes with or disrupts the integrity or performance of the Services and its components; (h) attempt to decipher, decompile, reverse engineer or otherwise discover the source code of any Software making up the Services; (i) use the Services to knowingly post, transmit, upload, link to, send or store any content that is unlawful, racist, hateful, abusive, libelous, obscene, or discriminatory; (j) use the Services to store or transmit any "protected health information" as that term is defined in 45 C.F.R. 160.103, unless expressly agreed to otherwise in writing by ANCILE; (k) use the Services to knowingly post, transmit, upload, link to, send or store any viruses, malware, Trojan horses, time bombs, or any other similar harmful software ("Malicious Software"); (l) use or launch any automated system that accesses a Service (i.e., bot) in a manner that sends more request messages to a Service server in a given period of time than a human can reasonably produce in the same period by using a conventional on-line web browser; (m) use the Services to store or transmit any financial, PCI, or similar information unless expressly agreed to otherwise in writing by ANCILE or (n) attempt to use, or use the Services in violation of this Agreement.

2.5 As between Customer and ANCILE, Customer is responsible for compliance with the provisions of this Agreement by Customer and its Users for any and all activities that occur under Customer's Account. Without limiting the foregoing, Customer is solely responsible for ensuring that use of the Services to store and transmit Service Data is compliant with all applicable laws and regulations as well as any and all privacy policies, agreements or other obligations Customer may maintain or enter into with Users. Customer also maintains all responsibility for determining whether the Services or the content generated thereby is accurate or sufficient for Customer's purposes. Subject to any limitation on the number of individual Users available under the applicable Subscription, access to and use of the Services and any work product created is restricted to the specified number of individual Users permitted under Customer's Subscription to the applicable Service. Customer agrees and acknowledges that each User will be identified by a unique username and password ("Login"), either managed by Customer or ANCILE depending on implementation of authentication services, and that a Login may only be used by one (1) named individual. Customer will not share a User Login among multiple individuals. Customer and its Users are responsible for maintaining the confidentiality of all Login information for Customer's Account. ANCILE reserves the right to periodically verify that Customer's use of the ANCILE Services complies with the Agreement and the Services restrictions on ANCILE's website. Should ANCILE discover that Customer's use of a ANCILE Service is not in compliance with this Agreement or the Services restrictions on ANCILE's website, ANCILE reserves the right to charge Customer, and Customer hereby agree to pay for, said usage in addition to other remedies available to ANCILE.

2.6 In addition to ANCILE's rights as set forth in Sections 2 and 7.4, ANCILE reserve the right, in ANCILE's reasonable discretion, to temporarily suspend Customer's access to and use of a Service if ANCILE suspect or detect any Malicious Software connected to Customer's Account or use of a Service by Customer or Users.

2.7 Customer acknowledges that ANCILE may modify the features and functionality of the Services during the Subscription Term provided such modifications do not impair or degrade the functionality of the Services.

2.8 Customer must not permit access to the Services to a direct competitor of ANCILE, except with ANCILE's prior written consent. Customer may not access the Services for the purposes of monitoring performance, availability, functionality, or for any benchmarking or competitive purposes.

2.9 If Customer registers for a free trial for any of the Services, ANCILE will make such Services available to Customer on a trial basis free of charge until the earlier of (a) the end of the free trial period for which Customer registered to use the applicable Service(s); (b) the start date of any subscription to such Service purchased by Customer for such Service(s); or (c) termination of the trial by ANCILE in its sole discretion. Additional trial terms and conditions may appear on the ANCILE websites. Any such additional terms and conditions are incorporated into this Agreement by reference and are legally binding. Please review the applicable Documentation during the trial period so that Customer may become familiar with the features and functions of the Services under applicable Subscriptions before Customer makes a purchase. ANY DATA CUSTOMER ENTERS INTO A SERVICE, AND ANY CONFIGURATIONS OR CUSTOMIZATIONS MADE TO A SERVICE BY OR FOR CUSTOMER, DURING A FREE TRIAL WILL BE PERMANENTLY LOST UNLESS CUSTOMER PURCHASES A SUBSCRIPTION TO THE SAME SERVICE AS COVERED BY THE TRIAL, PURCHASES THE APPLICABLE SERVICE, OR EXPORTS SUCH SERVICE DATA, BEFORE THE END OF THE TRIAL PERIOD.

2.10 From time to time, ANCILE may make Beta Services available to Customer at no charge. Customer may choose to try such Beta Services in Customer's sole discretion. Beta Services are intended for evaluation purposes and not for production use, are not supported, and may be subject to additional terms that will be presented to Customer. Beta Services are not considered "Services" under this Agreement; however, all restrictions, ANCILE's reservation of rights and Customer's obligations concerning the Service, and use of any Third Party Services, shall apply equally to Customer's use of Beta Services. ANCILE will have no liability for any harm or damage arising out of or in connection with a Beta Service.

3. CONFIDENTIALITY; SECURITY AND PRIVACY

3.1 Subject to the express permissions of this Agreement, each Party will protect each other's Confidential Information from unauthorized use, access or disclosure in the same manner as each protects its own Confidential Information, but with no less than reasonable care. Except as otherwise expressly permitted pursuant to this Agreement, each Party may use each other's Confidential Information solely to exercise our respective rights and perform our respective obligations under this Agreement and shall disclose such Confidential Information (a) solely to the employees and/or non-employee service providers and contractors who have a need to know such Confidential Information for such purposes and who are bound to maintain the confidentiality of, and not misuse, such Confidential Information; (b) as necessary to comply with an order or subpoena of any administrative agency or court of competent jurisdiction; or (c) as reasonably necessary to comply with any applicable law or regulation. The provisions of this Section 3.1 shall supersede any non-disclosure agreement by and between the Parties and such agreement shall have no further force or effect.

3.2 ANCILE will maintain reasonable administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Service Data, as described in this Agreement. Those safeguards will include, but will not be limited to, measures for preventing access, use, modification or disclosure of Service Data by Personnel except (a) to provide the Services and prevent or address service, support or technical problems; (b) as compelled by law in accordance with Sections 3.1(b) or 3.1(c); (c) in accordance with the provisions of Section 3.4; or (d) as Customer expressly permit in writing. ANCILE's compliance with the provisions of Sections 3.2 through 3.5 and 11 shall be deemed compliance with ANCILE's obligations to protect Service Data as set forth in the Agreement.

3.3 To the extent Service Data constitutes Personal Data, Customer and ANCILE hereby agree that Customer shall be deemed to be the data controller and ANCILE shall be deemed to be the data processor as those terms are understood under the Applicable Data Protection Law. Unless otherwise specifically agreed to by ANCILE, Service Data may be hosted by ANCILE or their respective authorized third-party service providers in the United States, the EEA or other locations around the world. In providing the Services, ANCILE may engage other entities within ANCILE and other authorized service providers to Process Service Data, including and without limitation, any associated Personal Data pursuant to this Agreement within the European Economic Area (the "EEA"), the United States and in other countries and territories. Under no circumstances will ANCILE be deemed a data controller with respect to Service Data under Applicable Data Protection Law or any relevant law or regulation of any Member State as defined in Applicable Data Protection Law.

3.4 If Personal Data originates from a User in the EEA, ANCILE will ensure, pursuant to Applicable Data Protection Law that, to the extent that any Service Data constitutes Personal Data, if Service Data is transferred to a country or territory outside of the EEA (a "non-EEA country"), that such transfer will only take place if: (a) the non-EEA country in question ensures an adequate level of data protection; or (b) one of the conditions listed in Article 26(1) of Directive 95/46/EC (or its equivalent under any successor legislation) is satisfied. Upon Customer's request and subject to Customer's entry into ANCILE's Data Processing Agreement ("DPA") ANCILE will further ensure that the transfer is subject to the standard contractual clauses designed to facilitate transfers of Personal Data

from the EEA to all third countries that have been adopted by the European Commission (known as the, "Model Clauses"), which have been incorporated into the DPA. As a Customer with an active subscription, Customer may execute ANCILE's DPA by emailing Customer's request to ANCILE at legal@ancile.com.

3.5 Customer agrees that ANCILE and the third-party service providers that are utilized by ANCILE to assist in providing the Services to Customer shall have the right to access Customer's Account and to use, modify, reproduce, distribute, display and disclose Service Data to the extent necessary to provide the Services, including, without limitation, in response to Customer's support requests. Any third-party service providers utilized by ANCILE will only be given access to Customer's Account and Service Data as is reasonably necessary to provide the Services and will be subject to (a) confidentiality obligations which are commercially reasonable and substantially consistent with the standards described in Section 3.2; and (b) their agreement to comply with the data transfer restrictions applicable to Personal Data as set forth in Section 3.4.

3.6 Whenever Customer or its Users interact with our Services, ANCILE automatically receive and record information on ANCILE's server logs from the browser or device, which may include IP address, "cookie" information, the type of browser and/or device being used to access the Services. "Cookies" are identifiers ANCILE transfer to the browser or device of Customer's Users that allow ANCILE to recognize a User and their browser or device along with how our Services are being utilized. ANCILE also receives and stores any information that Customer and its Users knowingly provide to ANCILE. For example, ANCILE may collect Personal Data such as name, business email address, and IP addresses of Customer and its Users.

3.7 ANCILE neither rents nor sells Customer's Personal Data in personally identifiable form to anyone. However, we may share data with third parties as described below:

- For the purposes of this section, "Usage Data" means aggregated, encoded or anonymized data that ANCILE may collect about a group or category of services, features or users while Customer and its Users use a Service for certain purposes, including analytics, and which does not contain Personal Data. Usage Data is used by ANCILE to help understand trends in usage of the Services.
- ANCILE may share the Usage Data with third parties, including ANCILE's partners and service providers, for various purposes, including to help ANCILE better understand ANCILE's customers' needs and improve ANCILE's Services.
- ANCILE may also publish Usage Data to provide relevant information about the Services and for purposes of marketing. This anonymized information, as segmented by industry, geography and other metrics to provide qualitative insight on customer support metrics and other relevant insights.

4. INTELLECTUAL PROPERTY RIGHTS

Each Party shall retain all rights, title and interest in and to all its respective patents, inventions, copyrights, trademarks, domain names, trade secrets, know-how and any other intellectual property and/or proprietary rights (collectively, "Intellectual Property Rights"). The rights granted to Customer's Users to use the Service(s) under this Agreement do not convey any additional rights in the Service(s) or in any Intellectual Property Rights associated therewith. Subject only to limited rights to access and use the Service(s) as expressly stated herein, all rights, title and interest in and to the Services and all hardware, Software and other components of or used to provide the Services, including all related Intellectual Property Rights, will remain with ANCILE and belong exclusively to ANCILE. ANCILE shall have a fully paid-up, royalty-free, worldwide, transferable, sub-licensable (through multiple layers), assignable, irrevocable and perpetual license to implement, use, modify, commercially exploit, and/or incorporate into the Services or otherwise use any suggestions, enhancement requests, recommendations or other feedback ANCILE receive from Customer or Users, or other third parties acting on Customer's behalf. ANCILE®, uPerform®, and ANCILE's other product and service names and logos used or displayed in or on the Services are registered or unregistered trademarks of ANCILE (collectively, "Marks"), and Customer may only use applicable Marks in a manner permitted by ANCILE's trademark usage guidelines to identify Customer as a subscriber; provided Customer does not attempt, now or in the future, to claim any rights in the Marks, degrade the distinctiveness of the Marks, or use the Marks to disparage or misrepresent ANCILE, ANCILE's services or products.

5. LEGACY INSTALLATIONS

For legacy Customers or Customers with specific security environments and requirements, the Services may be provided in object code form only, without utilizing ANCILE's hosting infrastructure. For such on premise Subscriptions, the Customer is responsible for providing the entire infrastructure for the Services affected and any service levels thereon. Customers may utilize ANCILE's support resources as necessary, subject to the availability of those resources during ANCILE's standard support hours. ANCILE is not responsible for uptime, availability, or any other service levels outside of such support functions for on premise Subscriptions.

6. BILLING, PLAN MODIFICATIONS AND PAYMENTS

6.1 Unless otherwise indicated herein, on an Order Form referencing this Agreement, or Additional Terms (as defined in Section 13.2) and subject to Section 6.2, all charges associated with Customer's access to and use of a Service ("Subscription Charges") are due in full upon commencement of Customer's Subscription Term, or, with respect to a Deployed Associated Service, at the time such Deployed Associated Service is purchased, subscribed to or otherwise deployed. After each 12-month period of the Subscription Term, the Subscription fees will be increased at the rate of the Annual Subscription Increase as described on an Order

Form. If Customer fails to pay Customer's Subscription Charges or other charges indicated on any Order Form within 15 days of ANCILE's notice to Customer that payment is due or delinquent, or if Customer do not update payment information upon ANCILE's request, in addition to ANCILE's other remedies, ANCILE may suspend or terminate access to and use of such Service by Customer's Users.

6.2 If Customer chooses to increase the number of Users authorized to access and use a Service during Customer's Subscription Term (a "Subscription Upgrade"), any incremental Subscription Charges associated with such Subscription Upgrade will be prorated over the remaining period of Customer's then current Subscription Term, charged to Customer's Account and due and payable upon implementation of such Subscription Upgrade. In any future Subscription Term, Customer's Subscription Charges will reflect any such Subscription Upgrades.

6.3 No refunds or credits for Subscription Charges or other fees or payments will be provided to Customer if Customer elects to downgrade Customer's Subscription.

6.4 Unless otherwise stated, Subscription Charges and fees for Services do not include any taxes, levies, duties or similar governmental assessments, including value-added, sales, use or withholding taxes assessable by any local, state, provincial or foreign jurisdiction (collectively "Taxes"). Customer is responsible for paying Taxes, except those assessable against ANCILE measured by its net income. ANCILE will invoice Customer for such Taxes if ANCILE believes ANCILE has a legal obligation to do so and Customer agrees to pay such Taxes if so invoiced.

6.5 Any portion of any amount payable by Customer hereunder that is not paid when due will accrue interest at one and one-half (1.5%) per month or the maximum rate permitted by applicable law, whichever is less, from the due date until paid.

6.6 Any Customer that mandates ANCILE to use a vendor payment portal or compliance portal which charges ANCILE a subscription fee or a percentage of any uploaded invoice as a required cost of doing business, shall be invoiced by ANCILE for the cost of this fee.

7. CANCELLATION AND TERMINATION

7.1 Either Party may elect to terminate Customer's Account and subscription to a Service as of the end of Customer's then current Subscription Term by providing notice, in accordance with this Agreement, on or prior to the date ninety (90) days preceding the end of such Subscription Term. Unless Customer's Account and subscription to a Service is so terminated, Customer's subscription to a Service will renew for a Subscription Term equivalent in length to the then expiring Subscription Term. Unless otherwise provided for in an Order Form, the Subscription Charges applicable to Customer's subscription to a Service for any such subsequent Subscription Term shall be ANCILE's standard Subscription fees to which Customer has subscribed as of the time such subsequent Subscription Term commences.

7.2 No refunds or credits for Subscription Charges or other fees or payments will be provided to Customer if Customer elects to terminate Customer's subscription to the Service or cancel Customer's Account prior to the end of Customer's then effective Subscription Term.

7.3 Except for Customer's termination under Section 7.5, if Customer terminates a subscription to a Service or cancels Customer's Account prior to the end of Customer's then effective Subscription Term or ANCILE effect such termination or cancellation pursuant to Sections 2, 7.4 and 7.5, in addition to other amounts Customer may owe ANCILE, Customer must immediately pay any then unpaid Subscription Charges associated with the remainder of such Subscription Term. This amount will not be payable by Customer in the event Customer terminate Customer's subscription to a Service or cancel Customer's Account as a result of a material breach of this Agreement by ANCILE, provided that Customer provide advance notice of such breach to ANCILE and afford ANCILE not less than thirty (30) days to reasonably cure such breach as provided for in Section 7.5 herein.

7.4 ANCILE reserves the right to modify, suspend or terminate the Services (or any part thereof), Customer's Account or Customer's and/or its Users' rights to access and use the Services, and remove, disable and discard any Service Data if ANCILE believes that Customer, or its Users have violated this Agreement. This includes the removal or disablement of Service Data in accordance with ANCILE's copyright infringement notice and takedown policy. Unless legally prohibited from doing so, ANCILE will use commercially reasonable efforts to contact Customer directly via email to notify Customer when taking any of the foregoing actions. ANCILE shall not be liable to Customer or its Users, or any other third party for any such modification, suspension or discontinuation of Customer's rights to access and use the Services. Any suspected fraudulent, abusive, or illegal activity by Customer or its Users may be referred to law enforcement authorities at ANCILE's sole discretion.

7.5 A Party may terminate this Agreement for cause (a) upon thirty (30) days' written notice to the other Party of a material breach if such breach remains uncured at the expiration of such period; or (b) if the other Party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors. If this Agreement is terminated by Customer in accordance with this section, ANCILE will, to the extent permitted by applicable law, refund Customer any prepaid fees covering the remainder of the Subscription Term after the effective date of termination. If this Agreement is terminated by ANCILE in accordance with this section, Customer will pay any unpaid fees covering the remainder of

the Subscription Term pursuant to all applicable Order Forms. In no event will termination relieve Customer of Customer's obligation to pay any fees payable to ANCILE for the period prior to the effective date of termination.

7.6 Upon request by Customer made within thirty (30) days after the effective date of termination or expiration of this Agreement, ANCILE will make Service Data available to Customer for export or download as provided in the Documentation. After such 30-day period, ANCILE will have no obligation to maintain or provide any Service Data, and, as provided in the Documentation, will have the right to delete or destroy all copies of Service Data in ANCILE's systems or otherwise in ANCILE's possession or control, unless prohibited by law.

8. REPRESENTATIONS, WARRANTIES AND DISCLAIMERS

8.1 Each Party represents that it has validly entered into this Agreement and has the legal power to do so.

8.2 ANCILE warrants that during an applicable Subscription Term (a) this Agreement and the Documentation will accurately describe the applicable administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Service Data; and (b) the Services will perform materially in accordance with the applicable Documentation. For any breach of a warranty above, Customer's exclusive remedies are those described in Section 7.5 herein.

8.3 EXCEPT AS SPECIFICALLY SET FORTH IN SECTION 8.2, THE SITES AND THE SERVICES, INCLUDING ALL SERVER AND NETWORK COMPONENTS ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT ANY WARRANTIES OF ANY KIND TO THE FULLEST EXTENT PERMITTED BY LAW, AND ANCILE EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. CUSTOMER ACKNOWLEDGES THAT ANCILE DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED, TIMELY, SECURE, ERROR-FREE OR FREE FROM VIRUSES OR OTHER MALICIOUS SOFTWARE, AND NO INFORMATION OR ADVICE OBTAINED BY CUSTOMER FROM ANCILE OR THROUGH THE SERVICES SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THIS AGREEMENT.

9. LIMITATION OF LIABILITY

9.1 UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY (WHETHER IN CONTRACT, TORT, NEGLIGENCE OR OTHERWISE) WILL EITHER PARTY TO THIS AGREEMENT, OR THEIR AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SERVICE PROVIDERS, SUPPLIERS OR LICENSORS BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY FOR ANY LOST PROFITS, LOST SALES OR BUSINESS, LOST DATA, (BEING DATA LOST IN THE COURSE OF TRANSMISSION VIA CUSTOMER SYSTEMS OR OVER THE INTERNET THROUGH NO FAULT OF ANCILE), BUSINESS INTERRUPTION, LOSS OF GOODWILL, OR FOR ANY TYPE OF INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE LOSS OR DAMAGES, OR ANY OTHER LOSS OR DAMAGES INCURRED BY THE OTHER PARTY OR ANY THIRD PARTY IN CONNECTION WITH THIS AGREEMENT, THE SERVICES OR CONSULTING SERVICES, REGARDLESS OF WHETHER SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF OR COULD HAVE FORESEEN SUCH DAMAGES.

9.2 NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, ANCILE'S AGGREGATE LIABILITY TO CUSTOMER OR ANY THIRD PARTY ARISING OUT OF THIS AGREEMENT, THE SERVICES OR CONSULTING SERVICES, SHALL IN NO EVENT EXCEED THE SUBSCRIPTION CHARGES AND/OR CONSULTING FEES PAID BY CUSTOMER DURING THE TWELVE (12) MONTHS PRIOR TO THE FIRST EVENT OR OCCURRENCE GIVING RISE TO SUCH LIABILITY. CUSTOMER ACKNOWLEDGES AND AGREES THAT THE ESSENTIAL PURPOSE OF THIS SECTION 9.2 IS TO ALLOCATE THE RISKS UNDER THIS AGREEMENT BETWEEN THE PARTIES AND LIMIT POTENTIAL LIABILITY GIVEN THE SUBSCRIPTION CHARGES AND CONSULTING FEES, WHICH WOULD HAVE BEEN SUBSTANTIALLY HIGHER IF ANCILE WERE TO ASSUME ANY FURTHER LIABILITY OTHER THAN AS SET FORTH HEREIN. ANCILE HAS RELIED ON THESE LIMITATIONS IN DETERMINING WHETHER TO PROVIDE CUSTOMER WITH THE RIGHTS TO ACCESS AND USE THE SERVICES AND/OR CONSULTING SERVICES PROVIDED FOR IN THIS AGREEMENT.

9.3 Some jurisdictions do not allow the exclusion of implied warranties or limitation of liability for incidental or consequential damages, which means that some of the above limitations may not apply to Customer. IN THESE JURISDICTIONS, ANCILE'S LIABILITY WILL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW.

9.4 Any claims or damages that Customer may have against ANCILE shall only be enforceable against ANCILE and not any other entity or its officers, directors, representatives or agents.

10. INDEMNIFICATION

10.1 ANCILE will indemnify and hold Customer harmless, from and against any claim against Customer by reason of Customer's use of a Service as permitted hereunder, brought by a third party alleging that such Service infringes or misappropriates a third party's valid patent, copyright, trademark or trade secret (an "IP Claim"). ANCILE shall, at ANCILE's expense, defend such IP Claim and pay damages finally awarded against Customer in connection therewith, including the reasonable fees and expenses of the attorneys engaged by ANCILE for such defense, provided that (a) Customer promptly notifies ANCILE of the threat or notice of such IP Claim; (b) ANCILE will have the sole and exclusive control and authority to select defense attorneys, and defend and/or settle any such IP Claim; and (c) Customer fully cooperates with ANCILE in connection therewith. If use of a Service by Customer or Users has become, or, in ANCILE's opinion, is likely to become, the subject of any such IP Claim, ANCILE may, at ANCILE's option and

expense, (a) procure for Customer the right to continue using the Service(s) as set forth hereunder; (b) replace or modify a Service to make it non-infringing; or (c) if options (a) or (b) are not commercially reasonable or practicable as determined by ANCILE, terminate Customer's subscription to the Service(s) and repay Customer, on a pro-rata basis, any Subscription Charges previously paid to ANCILE for the corresponding unused portion of Customer's Subscription Term for such Service(s). ANCILE will have no liability or obligation under this Section 10.1 with respect to any IP Claim if such claim is caused in whole or in part by (i) compliance with designs, data, instructions or specifications provided by Customer; (ii) modification of the Service(s) by anyone other than ANCILE; or (iii) the combination, operation or use of the Service(s) with other hardware or software where a Service would not by itself be infringing.

The provisions of this Section 10.1 state the sole, exclusive and entire liability of ANCILE to Customer and constitutes Customer's sole remedy with respect to an IP Claim brought by reason of access to or use of a Service by Customer or its Users.

10.2 Customer will indemnify and hold ANCILE harmless against any claim brought by a third party against ANCILE arising from or related to use of a Service by Customer or Users in breach of this Agreement or matters for which Customer has expressly agreed to be responsible pursuant to this Agreement; provided (a) ANCILE shall promptly notify Customer of the threat or notice of such claim; (b) Customer will have the sole and exclusive control and authority to select defense attorneys, and defend and/or settle any such claim (however, Customer shall not settle or compromise any claim that results in liability or admission of any liability by ANCILE without ANCILE's prior written consent); and (c) ANCILE fully cooperates with Customer in connection therewith.

The incident response program includes 24x7 centralized monitoring systems and on-call staffing to respond to service incidents.
- Access Control and Privilege Management. ANCILE restricts administrative access to Customer production systems to operational personnel. ANCILE requires such personnel to have unique IDs and associated cryptographic keys. These keys are used to authenticate and identify each person's activities on ANCILE systems, including access to Service Data. Upon hire, ANCILE operational personnel are assigned unique keys. Upon termination, these keys are revoked. Access rights and levels are based on ANCILE employees' job function and role, using the concepts of least-privilege and need-to-know to match access privileges to defined responsibilities.
- Network Management and Security. The data centers utilized by ANCILE maintain industry standard fully redundant and secure network architecture with reasonably sufficient bandwidth as well as redundant network infrastructure to mitigate the impact of individual component failure. ANCILE's security team utilizes industry standard utilities to provide defense against known common unauthorized network activity, monitors security advisory lists for vulnerabilities, and undertakes regular external vulnerability audits.

 - A security organization responsible for physical security functions 24x7x365.
